Dear Tom:

In response to a great many inquiries made by our membership, The Houston Canoe Club is asking for your participation in obtaining informative brochures for distribution at our monthly meetings, beginning with our May meeting. We welcome all hand out literature from your equipment suppliers telling information on equipment for canoeing, kayaking, camping, backpacking and all related equipment.

We feel that you should be acknowledged for your participation so feel free to stamp your business location and telephone number on each piece of literature which you furnish.

All material from all merchants will be made readily available to all members present at each meeting. This is to be an ongoing effort and we would like a variety of literature at each meeting with new literature being added each month. Twenty-five to thirty pieces of each particular flyer should be sufficient.

Either bring your literature to our meeting or mail it to The Houston Canoe Club, P. O. Box 61588, Houston, Texas 77208-1588.

I thank you in advance for your continued support and participation in our Club.

Yours truly,
